

Ag Ed Quest

SECONDARY EDITION FACT FINDING MISSION

NAME:

DATE:

SCHOOL:

YEAR:

AG ED QUEST INSTRUCTIONS

Thank you for registering for the first ever Ag Ed Quest at the 58th Annual Wimmera Machinery Field Days.

HOW TO PLAY

You have been given a list of questions - and the answers are at the Field Days, you just need to find them!

Find the exhibitor and find the question, it may be as easy as asking the question, or it may take some hunting around the site.

Once you have completed the questions, bring your answer sheet to the AgFutures Pavilion (Site F1) and place it in the box for your chance to win a prize (prize drawn at the end of the event).

After the fact-finding mission, hear from some of the region's brightest Ag professionals and how they've made a career in agriculture and the Wimmera.

Session Times: 1pm Tuesday and 12pm Thursday
Answer sheets can be submitted when attending these sessions.

RULES

1. Please be respectful of exhibitors. They have been very accommodating and generous in their time to participate. If they have a customer with them, please wait until they are ready to talk to you.
2. No running through the Field Days site - please be mindful of other attendees
3. If you are working in teams, please keep them to a small size (around 6 people)
4. No using Google!
